REGISTRATION FORM

Marine Chemist Service, Inc. is approved by Virginia Department of Professional and Occupational Regulation (DPOR) for both asbestos and lead licensing classes, and our Shipyard Competent Person (SCP) and fire-watch classes are approved by Norfolk Support Ship Activity (NSSA). Besides the scheduled classes, we offer courses in respiratory protection, as well as awareness training for asbestos, mold and lead.

For more than 44 years, Marine Chemist Service has provided solutions for Tidewater businesses. We are pleased to be able to help you provide your employees with the training required to keep them working safely. You can schedule convenient classes that will economically meet your needs. Call us to schedule a class, or if the class you need is already on the schedule, use the convenient registration form on the back of this booklet or register at **www.MarineChemist.com**

Custom classes may be scheduled at your convenience.

-Please call (757) 873-0933 to ask about the schedule for future classes.

-Our classes are modeled after the criteria established by EPA, OSHA, NSSA, and the State of Virginia as applicable.

-Classes are held at Marine Chemist Service's training facility at the corner of 27th St. and Killam Ave.

Norfolk, VA.

-Marine Chemist Service reserves the right to cancel or reschedule classes.

-CMC course fees include a non-refundable \$40.00 registration fee.

Marine Chemist Service, Inc. faculty and staff strive to provide the finest training experiences for our customers. We keep abreast of the changing rules and regulations and constantly modify our curriculums to reflect those changes. You will receive quality training that accurately reflects the state of the art. Our experienced instructors, actively work in various aspects of safety and industrial hygiene so that the education you receive will contain the procedures currently being used in the field to accomplish your job. We also maintain active relationships with regulators such as OSHA and EPA.

To stay current in this ever changing environment, Marine Chemist Service, Inc. maintains many accreditations and memberships in professional organizations such as:

- American Industrial Hygiene Association (AIHA)
- Virginia Ship Repair Association (VSRA)
- National Fire Protection Association (NFPA)
- American Society of Safety Engineers (ASSE)

Feedback from our students is important to us. Please let us know how we can improve the training experience for you.
